

# Jetstream® Visual Safety System

## Be sure operators are using the right water blast equipment.

New color coded parts and accessories clearly show water blast components in use are correctly and safely suited to current pump pressures with the Visual Safety System.

<b>Yellow</b>	<b>Green</b>
10,000 PSI	15,000 PSI
690 Bar	1,034 Bar
<b>Blue</b>	<b>Orange</b>
20,000 PSI	40,000 PSI
1,379 Bar	2,750 Bar
